

## **REQUEST FOR PROPOSALS**

The Native American Fish and Wildlife Society (NAFWS) is accepting proposals from qualified individuals to provide web development services that may include: update software programs and security as needed; monitor current telecommunications network; and troubleshoot issues, when, and if necessary.

In the area of the website: combine two websites and create a way for this to work with maintaining the membership data. Periodically, to monitor website for functionality.

We seek reliability, status updates, past contracts if any.

Deadline for proposals: October 18 , 2017.

The NAFWS as a non-profit, 501©(3) seeks to provide its membership with information and we hope that this could be provided with no interruption. For more information, contact: Karen Lynch, [klynch@nafws](mailto:klynch@nafws), or 303-466-1725, ext. 5. Or, proposals can be sent to: NAFWS, 8515 Pearl St., Ste. 203, Thornton, CO 80229.
