

ARE YOU READY?

WILDERNESS FIRST AID (WFA)

This 16 hour Wilderness First Aid course includes basic life support (CPR for adult/child/infant & AED), Wilderness Anaphylaxis Training, and covers injuries and illnesses common when traveling or working in remote areas. We will learn proper bleeding control methods, heat and cold injury prevention and treatment, as well as how to identify and treat medical issues such as diabetic and cardiac emergencies.

34th Annual Southwest Regional Conference
Native American Fish and Wildlife Society
August 22-24, 2022
Santa Ana Star Casino Hotel,
Santa Ana Pueblo, NM

Training is available only to Tribal Conservation Law Enforcement Officers
