The success of our Regional Conferences is largely due to our sponsors; who lend their names and financial support to the event. The money we raise each year helps promote the purposes of the NAFWS which include charitable, scientific, educational and cultural services. The NAFWS provides mechanisms for information, publication, networking, conferencing, training, instructive youth practicums and technical services for Native American Tribes.

The NAFWS is a national 501(3)c non-profit organization incorporated and headquartered in the State of Colorado. We are a distinctive membership organization with members primarily made up of Tribal Fish and Wildlife administrators, managers, conservation law enforcement officers, Tribal representatives and associates at large with an interest in Native American Fish and Wildlife Management.

Any amount you can share will be put to good use. Your contribution makes it possible for the NAFWS to continue providing training and assistance to Tribes. Your contribution is also tax deductible. Thank you in advance for your consideration of our request.
